GUMBY

Hi Bummer
 Well we sure
 have had some really
 radical times together
 and I wouldn't change them
 for the world. And
 for the cause we go to
 school now don't mean
 we still not part of Santa Fe
 because I really don't think that
 they could forget us we gave them
 so much hell lol well
 Love ya
 Always

Months have gone by
and our days aren't the same
we know they are missing
and that brings us much pain
we see them in our dreams
their bright smiling faces
we reach out to grab them
as they slowly fade away
when we hear them in music
their words were so kind
We'll remember them always
till the end of time

**Where did time go?
One day
We were just starting
And you lived down the street
Summer vacations lasted forever
And winters were endless days
We watched
Each others memories grow
Our eyes never saw
Past each days sunlight
Good-bye was just a word
And now we learn its meaning**

Candy Garrick

As we leave Santa Fe we want to wish the class of 86 the very best!
